

Mr. Martin Roemkens

Director – Technical

Mr. Martin Roemkens joined the Board of Directors of Nestlé India Limited as a Whole-time Director, designated as “Director-Technical” on 1st April, 2017. Mr. Roemkens is also a member of Risk Management Committee of the Directors of the Company.

Mr. Roemkens aged 47 years holds Bachelor of Engineering from the University of Western Australia. He has over 20 years of rich and exhaustive experience in Technical and Production functions and has held senior management positions during his career.

Before Nestlé India posting, Mr. Roemkens was the Technical Manager in Nestlé’s North East Africa Region which he successfully led for almost four years including developing the factories in Egypt to a world-class standard. He has also served as the Factory Manager of the Moga Factory of the Company, one of the largest factories in the Region, from 2009 to 2012.

He is responsible for, amongst others, the management and conduct with respect to the technical areas of the Company including all existing and future factory locations.
