Notes:

Financial results have been presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, Ind-AS and Schedule III (Division II) to the Companies Act, 2013.

For better understanding of the financial performance, the Company has chosen to present "Profit from Operations" as an additional information in the Statement of Profit and Loss. "Profit from Operations" is arrived from 'Profit before Exceptional items and Tax' after reducing Other Income and adding back Finance Costs (including interest cost on employee benefit plans), Net provision for contingencies (others) and Corporate social responsibility expense.

Comparisons with reference to quarter ended 30.9.2018 unless otherwise specified:

- "Total Sales" increased by 9.5%. "Domestic Sales" increased by 10.5% largely driven by volume & mix. "Export Sales" dropped by 7.1% due to lower coffee exports to Turkey.
- 2. "Other Income" has decreased due to lower average liquidities following the payment of special interim dividend on 23 August 2019 and lower yields.
- 3. "Cost of materials consumed" [B(i)+B(ii)+B(iii)] has increased due to higher commodity prices particularly milk and its derivatives, the impact of which has not been fully passed on to consumers.
- 4. "Net Provision for Contingencies" is mainly for matters related to litigations /related disputes and other uncertainties requiring management judgement. Provisions for Contingencies/ Contingent Liabilities are recognised/ disclosed after a careful evaluation of the facts and legal aspects of the matters involved, in line with Ind AS 37 on "Provisions, Contingent Liabilities and Contingent Assets".
- 5. "Tax Expense" (including revaluation of deferred tax assets & liabilities) has been computed at the lower tax rates introduced by the Taxation Laws (Amendment) Ordinance, 2019 dated 20 September 2019. The impact of this change, including that for the previous quarter, has been recognized in the current quarter. Accordingly, the tax expense for the current quarter is lower due to the credit of ₹ 725 million pertaining to the previous quarter. This has also impacted the current quarter's "Net Profit" by the same amount and the "Earnings Per Share" by ₹ 7.5.
- 6. "Re-Measurement of Retiral Defined Benefit Plans" represents actuarial gains/losses on defined benefit plans.
- 7. "Total Comprehensive Income" is impacted by lower tax rates as mentioned in point 5 above and change in estimates of retiral defined benefit plans recognized in "Other Comprehensive Income".
- 8. Based on the guiding principles given in Ind AS 108 on 'Operating Segments', the Company's business activity falls within a single operating segment, namely Food. Accordingly, the disclosure requirements of Ind AS 108 are not applicable.
- Legal proceedings in the MAGGI Noodles issue are currently on before the Hon'ble Supreme Court. The issue has been
 adequately explained in the Annual Report 2015 and also in the press releases in 2015 available on the Company's
 website www.nestle.in.
- 10. Previous period's figures have been regrouped/ reclassified to conform with the current year's classification /grouping.

THE ABOVE RESULTS AND THIS RELEASE HAVE BEEN REVIEWED BY THE AUDIT COMMITTEE OF THE BOARD AND APPROVED BY THE BOARD OF DIRECTORS AT THEIR MEETING HELD ON 8 NOVEMBER 2019.

Limited Review - The limited review, as required under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 has been completed and the related report forwarded to the stock exchange. The report does not have any impact on the above 'results and notes' for the quarter ended 30 September 2019.

Limited review report on unaudited quarterly financial results and year-to-date results of Nestlé India Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

Board of Directors of Nestlé India Limited

We have reviewed the accompanying Statement of unaudited financial results of **Nestlé India Limited** ('the Company) for the quarter ended 30 September 2019 and year to date results for the period from 1 January 2019 to 30 September 2019 ("the Statement").

This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
