The Company had submitted vide its aforesaid letters that Work from Home had been adopted for all employees at its head office and regional offices effective from 17th March 2020 to minimize the risk and contain the spread of COVID-19. The Company had further informed that all manufacturing locations and most of the distribution centres/ warehouses, suppliers had been operating at scaled down levels essentially on account of applicable social distancing norms and the lesser deployment of people. It was also mentioned that the scaling up, scaling down or suspension of operations at various locations continues to be dependent on the directions of the Central and State Governments and authorities.

The Company continues to assess on a regular basis the impact of COVID-19 pandemic on its business operations and would like to update the following in this regard:

1. Impact of the COVID-19 pandemic on the business:

The Company is in the foods and beverages business. While the impact of COVID-19 on the Company's business operations has not been materially adverse so far, it is extremely difficult to assess its impact on near term and annual results. The Company continues to evaluate the impact of COVID-19 as the situation evolves.

2. Ability to maintain operations including the factories/units/office spaces functioning and closed down:

The Company continues with Work from Home advisory for its employees at its head office and regional offices to minimize the risk and contain the spread of COVID-19. The Company has resumed operations at all of its manufacturing locations and distribution centres/ warehouses and scaling up continues in all area of operations while adopting stringent safety practices and following standard operating procedures for social distancing to ensure the well-being of its employees and other staff in accordance with the directions of the Central and State Governments and authorities.

3. Estimation of the future impact of COVID-19 on its operations:

Due to unpredictable and fast changing COVID-19 situation, it is very difficult to assess the future impact of COVID-19 on business operations and it is expected to evolve over a period of time. However, we are confident about our ability to manage this crisis through our financial stability, our trusted brands, our consumers, our committed employees and our quality of leadership.
