

Nestlé India Corporate Social Responsibility Policy

(Last amended on 16th February 2023)

I. Corporate Social Responsibility (CSR) Policy

Nestlé India Limited ("the Company") is a publicly listed Company in India.

This document articulates the Company's Corporate Social Responsibility (CSR) Policy (the "Policy"). This Policy applies to all CSR activities of the Company in India and conforms to the requirements of Section 135 of the Companies Act 2013 (as amended from time to time), rules notified thereunder and any other applicable statutory provision(s) (collectively referred hereafter as "CSR Provisions"). The Policy is guided at all times by the Company's Corporate Business Principles and the Code of Conduct.

The Company is a leading Nutrition, Health and Wellness Company. As a responsible Company, it has since its inception, participated in business activities which help in improving the quality of life for the communities where it operates. This also includes creating better livelihood opportunities.

In consultation with stakeholders, the Company has decided to focus its activities on the following areas, where it is in a position to create maximum value. These focus areas are:

- **Nutrition:** A large part of our population is impacted by the double burden of malnutrition. Improving nutrition awareness of communities is a focus area.
- **Water and Sanitation:** India is among the world's most water stressed regions. Additionally, safe drinking water is a concern in many parts of the country. The Company would focus on helping farmers reduce water usage in agriculture, raising awareness on water conservation and providing access to water and sanitation.
- **Rural Development:** Supporting the sustainable development of farmers will be the third focus area.
- **Livelihood:** Unemployment is a major issue impacting development and health outcomes. The Company would focus on livelihood enhancement through trainings.
- **Education:** The Company would focus on supporting education, with a special focus on education for the girl child. The Company would encourage enhancement skill-set/awareness and support research/academic activities.
- **Environment:** The Company would focus on activities that have a positive impact on environment.

The Company will continue to engage with stakeholders including farmers, experts, NGOs and the Government and would take up such other CSR activities in line with Government's intent and which are important for society

The above areas are mapped with the activities as prescribed in Schedule VII to the Companies Act, 2013 in the Nestlé India Guiding Principles for the formulation of Annual Action Plan. While the focus of CSR efforts will be in the local areas and areas around it where the Company operates, the Company may also undertake projects where societal needs are high or in special situations (such as in the case of natural disasters etc.).

CSR expenditure will include all expenditure incurred by the Company on CSR Programmes undertaken in accordance with the approved Annual Action Plan. The CSR activities undertaken by the Company are not expected to lead to any additional surplus beyond what would accrue to the Company in the course of normal operations. However, surplus if any arising out of the CSR Projects or Programs shall not form part of the business profit of the Company and shall be dealt with in accordance with the applicable CSR Provisions. Likewise, any excess amount spent on CSR activities may be set off against the requirement to spend in the succeeding financial years in accordance with the applicable CSR Provisions. In the event the Company creates or acquires capital asset out of the CSR spend, such capital asset will be dealt with in terms of the applicable CSR Provisions.

II. Governance

The Company's CSR Governance structure is headed by the CSR Committee of the Board of Directors of the Company. This Committee reports to the Board of Directors of the Company. The CSR Committee consists of four directors of which, two are independent directors. The CSR Committee provides oversight and guidance on CSR performance and monitor compliance with the CSR Policy, commitments and the applicable CSR Provisions. The CSR Committee formulates and recommends to the Board an annual action plan which includes the modalities of utilisation of the CSR funds and implantation schedules for the projects or programmes, monitoring and reporting mechanism for the projects or programmes and details of need and impact assessment for the projects undertaken by the Company. The CSR Committee also recommends any alteration in the annual action plan at any time during the year and update, if any, required to the CSR Policy.

The CSR Committee determines the overall scope of, provide input on, and recommend adoption of the CSR report to the Board of Directors of the Company and reviews the effectiveness of the CSR Policy and activities included in the Policy.

The Board monitors and reviews the performance and impact of the CSR programmes, provides input and course corrections if required and satisfies itself that the CSR funds so disbursed have been utilized for the purposes and in the manner as approved by it. The Executive Director – Finance & Control and CFO shall certify to the fact that CSR funds so disbursed have been utilised for the purposes and in the manner approved by the Board.

III. Selection and Implementation of CSR Activities

The Company's CSR programmes are guided by this Policy. The Company will undertake CSR activities as stated in the ANNEXURE with their execution modalities and implementation schedules.

The CSR Committee may under the above areas identify and recommend to the Board "Ongoing Project/s" that requires multi-year implementation but not having timelines exceeding three years excluding the financial year in which it commences, and also may designate some of the existing CSR projects as an Ongoing Project and such Ongoing Projects shall be selected, implemented, monitored and reported in accordance with the applicable CSR Provisions.

The CSR Committee may, if required, recommend to the Board of Directors as part of the CSR Policy, activities outside of the above-mentioned focus areas. All activities will be undertaken in project

mode with defined objectives and deliverables, clarity on target beneficiaries, implementation plans with schedule of timeline agreed prior to commencement of activities.

The Company would implement the CSR programmes through Company personnel and partnerships with expert agencies, NGOs and Government. In cases where the implementation is through external implementing agencies, the Company would monitor the implementation.

The CSR Policy issued pursuant to the Act has been recommended by the CSR Committee of the Board of Directors and approved by the Board of Directors and shall be placed on the Company's website www.nestle.in.

IV. Amendments

Amendments from time to time to the CSR Policy, if any, shall be considered by the Board of Directors based on the recommendations of the CSR Committee.
