

Nestlé India Corporate Social Responsibility Policy

(As amended on 28/10/2016)

I. Corporate Social Responsibility (CSR) Policy

Nestlé India Limited (the 'Company') is a leading Nutrition, Health and Wellness Company. As a responsible Company, it has since its inception, participated in business activities which help in improving the quality of life for the communities where it operates. This also includes creating better livelihood opportunities.

In consultation with stakeholders, the Company has decided to focus its activities on the following areas, where it is in a position to create maximum value. These focus areas are:

- **Nutrition:** A large part of our population is impacted by the double burden of malnutrition. Improving nutrition awareness of communities is a focus area.
- **Water and Sanitation:** India is among the world's most water stressed regions. Additionally, safe drinking water is a concern in many parts of the country. The Company would focus on helping farmers reduce water usage in agriculture, raising awareness on water conservation and providing access to water and sanitation.
- **Rural Development:** Supporting the sustainable development of farmers will be the third focus area.
- **Livelihood:** Unemployment is a major issue impacting development and health outcomes. The Company would focus on livelihood enhancement through trainings.
- **Education:** The Company would focus on supporting education, with a special focus on education for the girl child.

The Company will continue to engage with stakeholders including farmers, experts, NGOs and the Government and would take up such other CSR activities in line with Government's intent and which are important for society.

The above areas are mapped with the activities as prescribed in Schedule VII to the Companies Act, 2013 in the Annexure. While the focus of CSR efforts will be in the local areas and areas around it where the Company operates, the Company may also undertake projects where societal needs are high or in special situations (such as in the case of natural disasters etc.).

CSR expenditure will include all expenditure incurred by the Company on CSR Programmes undertaken in accordance with the approved CSR Plan. Surplus arising out of the CSR projects or programs or activities shall not form part of the business profit of the Company.

II. Implementation of CSR Activities

Current CSR activities with their execution modalities and implementation schedules are appended as Annexure. The Company may also undertake other CSR activities as may be appropriate from time to time.

The Company would implement the CSR programmes through Company personnel and partnerships with expert agencies, NGOs and Government. In cases where the implementation is through external implementing agencies, the Company would monitor the implementation.

III. Governance

The Company follows a structured governance procedure to monitor CSR activities.

The CSR Policy is governed by the Board of Directors. In terms of the Companies Act, 2013 the Board of Directors have constituted the Corporate Governance and Social Responsibility Committee ('CSR Committee') to formulate and recommend to the Board of Directors the CSR Policy indicating activities to be undertaken as specified in Schedule VII and the amount of expenditure for the CSR activities. The CSR Committee monitors the CSR Policy of the Company from time to time. The CSR Department monitors the status of each project and reports its findings to the CSR Committee periodically. In addition Independent Director(s) may visit one or more projects, from time to time and report their findings to the CSR Committee.

The CSR Policy issued pursuant to the Act has been recommended by the CSR Committee of the Board of Directors and approved by the Board of Directors and shall be placed on the Company's website www.nestle.in.

IV. Amendments

Amendments from time to time to the CSR Policy, if any, shall be considered by the Board of Directors based on the recommendations of the CSR Committee.
